

## Sample of Attendees from BioMedica 2023

| Job Title                       | Company Name                                 |
|---------------------------------|--|
| Systems Manager                 | NVRL   |
| Medical Scientist               | Mater Misericordiae Hospital                 |
| Senior Medical Scientists       | St Vincent's University Hospital             |
| Chief Medical scientist         | Nmh  |
| Doctor                          | HSE  |
| Manager                         | Scientific Lab Supplies                      |
| Medical Laboratory Scientist    | St. Michael's Hospit6                        |
| Student                         | 0000   |
| Medical Scientist               | MMUH   |
| Medical scientist               | Connolly hospital                            |
| Senior Medical Scientist        | St James's Hospital                          |
| Medical scientist               | MMUH   |
| Business Development Manager    | Dawsongroup TCS                              |
| Chief Medical Scientist         | Public Health Laboratory                     |
| Medical Scientist               | Coombe Hospital                              |
| TA                              | Freelance                                    |
| Medical scientist               | Hse  |
| Business Development            | Anders                                       |
| Biomedical scientist            | Cavan gen hosp                               |
| CMS                             | ULHG   |
| Senior Medical Scientist        | CHI Crumlin                                  |
| Application spwcialist          | CRUINN diagnostics                           |
| Medical Scientist               | HSE  |
| Student                         | TU Dublin                                    |
| Medical scientist               | Coombe women and infants university hospital |
| Senior Medical scientist        | Beacon hospital                              |
| Medical data science Researcher | Beilinson hospital                           |
| Student medical scientist       | TU Dublin                                    |
| Medical Scientist               | Rotunda Hospital                             |
| Chief Medical Scientist         | Mater Private                                |
| Medical Scientist               | MMUH   |
| Medical scientist               | TUH  |
| Administration                  | Cruinn Diagnostics                           |
| Administration                  | Cruinn Diagnostics Ltd.                      |
| Accounts                        | Cruinn Diagnostics                           |
| Medical scientist               | The National Maternity Hospital              |
| Senior Medical Scientist        | HSE  |
| Medical Scientist               | St Vincent's University Hospital             |
| Medical Scientist               | SVUH   |
| MEDICAL SCIENTIST               | St James hospital                            |

|  |                                     |
|--|-------------------------------------|
| Technical Officer                      | NVRL                                |
| Medical Scientist                      | Mater Misericordiae Hospital        |
| Med lab scientist                      | IBTS                                |
| Senior Medical Scientist Histology     | St Vincent's University Hospital    |
| QA Manager                             | Eurofins Biomnis                    |
| Chief medical scientist                | Mayo University hospital            |
| CCO                                    | Stryve - Futuralis                  |
| Lecturer                               | MTU                                 |
| Medical scientist                      | CHI at Crumlin                      |
| Chief Medical Scientist                | NOHC                                |
| Medical Scientist                      | St James Hospital                   |
| Student Medical Scientist              | Technological University Dublin     |
| Specialist scientist                   | Uhl                                 |
| Medical Scientist                      | Bon Secours Hospital                |
| Sales Executive                        | NSP                                 |
| Senior Medical Scientist               | Coombe Hospital                     |
| Medical scientist                      | Beaumont Hospital                   |
| Laboratory Manager<br>(Histopathology) | ICON                                |
| Surveillance Scientist                 | Mayo University Hospital            |
| CMS                                    | Rotunda hospital                    |
| Senior Medical Scientist               | St. James's Hospital                |
| Technical Officer                      | National Virus Reference Laboratory |
| Senior Medical Scientist               | Temple Street Hospital              |
| sales manager                          | fluke uk                            |
| Basic grade medical scientist          | Naas general hospital               |
